Dear Parents/Carers

We would like to invite you to our upcoming parent meetings.

To book your appointment, please follow this link https://greenparkcps.schoolcloud.co.uk where you'll be able to select a suitable date and time. **Bookings will open on Thursday 5th November 2026 at 4pm**.

All meetings will be face-to-face at school with your child's teacher.

Each meeting will be approximately 5-10 minutes long, focusing on your child's progress, next steps, and other key areas. For SEND students, we'll also discuss provision plan targets and interventions.

Please make sure to book your appointment by Friday 13th November. If none of the available dates work for you, please speak to the class teacher or Leader of Learning to arrange an alternative time.

Parents' Guide for Booking Appointments
