## Knowledge and understanding of the world

The children will investigate how sacred books are used and treated – Torah, Bible, and the Holy Qur'an. They will read, act out and illustrate some stories Jesus told about what God is like. They will also explore stories from the Jewish sacred text, the Tenakh.

## Science

The children will explore the sensory world of plants and the environment developing their knowledge of the five senses, how plants grow, and how we can use them in everyday life. The children will use their senses to discover the blooming foliage and enchanting fragrances of flowers and herbs. They will plant bulbs and seeds, and then watch them grow. They will explore the astounding world of the scented garden, exploring a range of plants, including some wild and dangerous plants that do astonishing things.

### Uniform

All clothing needs to be labelled clearly please, especially jumpers/cardigans. PE will take place on various days throughout the week, so please ensure children have PE kits in school at all times.

As the weather is warming up it would be good for the children to have a hat in school and sun cream that they can independently apply.

### Reading

Your child has a reading book and a reading record book to take home every night. This needs to come in to school every day.

We can see a positive difference in the children who read daily to you and we say a big thank you in advance for this.

Thank you also for recording their progress in the reading records, it is very helpful to us.

### Homework

Your child is given homework every Friday.

Homework is to be returned by the following Thursday morning. If your child is having difficulty completing this, please speak to the class teacher who will arrange for your child to complete it in school.

Homework is a whole school policy and all children are expected to complete it every week. Your help with this is much appreciated.

Finally, we are looking forward to a new and exciting term, one that will bring many challenges and stimulating experiences.

We are always available on the gate before school and on the playground after school, so please don't be shy in talking to us, even if it just a short hello!

Our aim, as ever, is the best possible development for your child, so if you have any questions, please do not hesitate to ask us.
