

## Local offer

**Resources available to  
support children with Special  
Educational Needs or  
Disability at Green Park  
Community Primary school  
September 2019**

## **What is the Local Offer?**

The SEND Local Offer is a resource which is designed to support children and young people with special educational needs or disabilities and their families. It describes services and provision that are available both to those families that have an Education, Health Care plan and those who do not but still experience some form of SEN. The SEND Local Offer includes information about public services across education, health and social care, as well as those provided by the private, voluntary and community sectors. Find information at [www.kent.gov.uk](http://www.kent.gov.uk) or email [SENSouth@kent.gov.uk](mailto:SENSouth@kent.gov.uk)

The Local Offer was first introduced in the Green Paper (March 2011) as a local offer of all services available to support disabled children and children with SEN and their families. This easy to understand information will set out what is normally available in schools to help children with lower-level SEN as well as the options available to support families who need additional help to care for their child. Parents can find this information on the following the link at the bottom of this page.

## **Green Park Community Primary School**

### **Environmental**

- Wide doors
- Ramps
- Lifts
