 - Full details of our response to peer on peer abuse, including sexual violence and harassment can be found in our child protection policy.
- Green Park recognises that sexual violence and sexual harassment between children can take place online. Examples may include;
 - Non-consensual sharing of sexual images and videos

 - If a criminal offence has been committed, the DSL (or deputy) will discuss this with the police first to ensure that investigations are not compromised.
 - review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.
- Green Park recognises that internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.
- Green Park recognises the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.
- To help minimise concerns, Green Park will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment by implementing a range of age and ability appropriate educational methods as part of our curriculum.
- We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between learners.

- implement appropriate sanctions in accordance with our behaviour policy but taking care not to further traumatise victims where possible.
- consider the deletion of images in accordance with the [UKCIS](#) guidance.
 - Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved and are sure that to do so would not place a child at risk or compromise an investigation.
- review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.

11.3 Online abuse and exploitation (including child sexual abuse and sexual or criminal exploitation)

I, with my parents/carers, have read and understood the Acceptable Use of Technology Policy (AUP).

- I know that I will be able to use the internet in school for a variety of reasons, if I use it responsibly. However, I understand that if I do not, I may not be allowed to use the internet at school.
- I know that being responsible means that I should not look for bad language, inappropriate images or violent or unsuitable games, and that if I accidentally come across any of these I should report it to a teacher or adult in school or a parent or carer at home.
- I will treat my password like my toothbrush! This means I will not share it with anyone (even my best friend), and I will log off when I have finished using the computer or device.
- I will protect myself by never telling anyone I meet online my address, my telephone number, my school name or by sending a picture of myself without permission from a teacher or other adult.
- I will never arrange to meet anyone I have met online alone in person without talking to a trusted adult.
- If I get unpleasant, rude or bullying emails or messages, I will report them to a teacher or other adult. I will not delete them straight away, but instead, keep them so I can show them to the person I am reporting it to.
- I will always be myself and not pretend to be anyone or anything I am not. I know that posting anonymous messages or pretending to be someone else is not allowed.
- I will always check before I download software or data from the internet. I know that information on the internet may not be reliable and it sometimes needs checking.
- If I bring in memory sticks / CDs from outside of school I will always give them to my teacher, so they can be checked for viruses and content, before opening them.
- I will be polite and sensible when I message people online and I know that sending a message is the same as having a conversation with someone. I will not be rude or hurt someone's feelings online.
- I know that I am not allowed on personal email, social networking sites or instant messaging in school.
- If, for any reason, I need to bring my mobile phone into school I know that it is to be handed in to the office and then collected at the end of the school day.
