

Repeat

Say words again and again

When learning new words children need to hear the same word over and over again.

Sing songs and Rhymes

Words are often said lots of times in one song.

Read Books together

Look at the pictures and say what you see lots of times.

When talking try and say the same word lots of times

For example at bathtime you might say:

'wash' your hair'
'wash your arms'
'wash your legs'
'wash your hands'
