

Monday 25th February 2019

Dear Parents/Guardians,

YR 5/6 NATURAL HISTORY MUSEUM

As previously written, as part of our science learning in term 4 children will be going to visit the Natural History Museum to take part in science workshops around evolution and inheritance. The trip will take place on **Tuesday 5th March** and the cost is **£14**.

Please pay all monies by Friday 1st March

Children will need to arrive at school at 7:45 so that we miss the morning traffic and will arrive back at school at 5:00. A packed lunch and drink will be required and a coat in case of adverse weather. School uniform must be worn during the trip.

Many thanks,

Mr S Guy
Assistant Head of School
