Uniform and collecting pupils

Dear Parents,

I spoke to the children last week about the importance of looking smart at school and the value we place in our school uniform. I have noticed that some children have returned to school this term wearing inappropriate shoes. Children should be wearing flat, black shoes. If you are finding it hard to afford new shoes, please come and speak to us. Black plimsolls are an affordable alternative, which children can wear in school. Parents should also not that socks should be plain white, black or grey.

I'd also like to remind parents that children in Years R to Year 4 must be collected by an appropriate adult at the end of the day. Parents should collect their children from the classroom or playground. Teachers will not let children leave on their own, for obvious reasons. Please collect your children promptly. We have allowed enough time for you to be able to collect a younger child from one side of the building and make your way to the other side to collect an older child. Again, if you have any problems with collecting your children on time from school, please come and talk to us.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Hawkins', written over a faint, illegible printed name.

Mr. Hawkins
