

English

During literacy this term, we will be practising our writing through non-fiction pieces such as information posters, diary entries and menus. In these pieces we will be applying our new phonics to help us spell.

We will also be reading high quality texts that link to the theme each week.

Discovery

Discovery this term will be looking at the world around us. This includes looking at the geography of the world, historical figures that have helped us and people who help us in everyday life. We will also learn about how school has changed since the Victorian period.

PE

WILL BE EVERY FRIDAY

This term, the children will be learning about movement and dance.

Targets

- Master basic movements and skills.
- Be able to perform basic shapes and adapt with a partner.
- Suggest improvement to their own and others work.
- Create a clearly defined sequence.
- Link repetitive actions in a short movement.
- Perform using a simple compositional idea.

Maths

In maths, we will begin to explore and understand numbers up to 20. With these numbers, we will be comparing, finding one more, one less, and adding and subtracting them. We will also work on our number line skills, using them to compare and estimate numbers.

The children will also develop their reasoning and mathematical word problem skills.

Term 3 - Our Wonderful World and School Days

Special experiences

This term, the children will be exploring the local area and our wonderful world. Throughout the term we have arranged some great experiences, including:

- A visit to the little seaside town to role play real life and understand how the world works.
- A visit from a local superhero
- Victorian school week- a chance to learn about school life in the past.
- An assembly for the chance to showcase our learning to all our grown ups

Phonics

This term, the children will continue to build upon their phonic knowledge and are now learning alternative sounds. We will continue to learn new tricky so please use the phonics pack to help with your child's learning of phonics. This term phonics cards will be sent home to help your children learn alternative sounds. We will also send some alien words for your children to practice. Each week your child will continue to bring home a reading book every day, thank you for always hearing your children each night.

Art and DT

This term, we will be learning about street art. We are going to create sketches and collages of our local area from what we observe on a nature walk around the school. We will also explore colour mixing, understanding primary colours and how we can create different shades.

Our aim is to keep learning fun and exciting for all of the children in Year 1 therefore sometimes we will adapt and change our plans to suit their needs.
