Dear Parents/Carers

Re: Masterclass Lessons at Dover Grammar School for Boys

As previously communicated, Dover Grammar School for Boys is providing a fantastic opportunity for year 5 primary school pupils to attend a range of Masterclass Lessons. These classes are a great opportunity for pupils to develop their love of a particular subject or learn more about a subject they have not studied before. The first two rounds of the lessons booked up incredibly quickly. I anticipate this being the case again therefore I would like to apologise in advance if you find there are no spaces left by the time you receive this letter. I have added a 'waiting list' feature to the Eventbrite booking for this round of booking. We often have cancellations (sometimes very close to the lessons themselves) therefore this may be a good way of keeping track of class availability.

Below is the programme for the Masterclass Lessons which will be taking place at DGSB throughout Term 5 and 6. These lessons are open for any pupil who is in year 5 during the academic year 2023-2024 and are completely free of charge. All lessons take place on Wednesdays between 4.00-5.00pm.

To secure a place for your child, please use the available links from the list above, or alternatively visit our website www.dgsb.co.uk and use the 'Quick Links' tab, followed by 'Event Booking' to access our booking page. You will then be directed to book via the 'Eventbrite' website, where further information will be available; however, should you have any further questions regarding these lessons, please contact Mr M Rosier at mrosier@dgsb.co.uk.

We are very much looking forward to welcoming your son or daughter to DGSB and to developing his/her love of learning further.

Yours sincerely,

Matthew Rosier
