Dear parents and guardians,

Firstly, welcome back to an exciting new term which will bring many challenges and stimulating experiences. I'm sure your children have already told you about some of the exhilarating things that will be going on in their new classes and I just wanted to inform you of a couple of changes brought about by Covid restrictions.

I have had a few questions regarding PE and changing for this. On the day your child is doing PE they can come into school in their PE kit and school jumper or cardigan. This will mean that the children do not need to get changed in the school building. PE kit consists of their house coloured t-shirt, dark coloured shorts or tracksuit bottoms and back plimsolls or trainers. Year 5 and 6 will be doing PE every Thursday whilst year 4 children in Kensington will be doing PE every Friday. Regents children will be going swimming and parents of these children will receive a separate letter explaining the arrangements for this. PE sessions will start next week.

Children will still be bringing home reading books from our Accelerated Reader range. Reading is vital for our children and we ask that you read with your children as much as possible. Due to the library being a small space, children will not be able to change their books as much as they have done previously but teachers have other activities planned, based around the text being read, if your child finishes their book quickly.

As always if you have any queries or questions please ask at the school gate in the morning or phone the school office. Thank you for your continued support.

Yours sincerely

Mr Scott Guy

Deputy Head Teacher

Green Park Community Primary school
