Re Megan Stevens

I have known Megan for over 4 years. She is one of the most genuine people I know. She is kind, compassionate, honest and hardworking. She has independently run a charitable fundraising scheme in aid of Healthy Young Minds raising well over £10,000.

I have discovered that Megan is both reliable and trustworthy often putting the needs of others first and never failing to deliver on her promises. I would not hesitate to recommend her as a volunteer for the NHS and I know you will find her an asset at such a challenging time.
