Dear Parents/Carers

We would like to invite you to our upcoming parent meetings.

To book your appointment, please follow this link

<https://greenparkcps.schoolcloud.co.uk> where you'll be able to select a suitable date and time.

You will also have the option to choose between an online meeting, which takes place over the internet or a face-to-face meeting at school with your child's teacher.

You will need to follow the prompts when selecting the date and time to book either option.

Each meeting will be approximately 5-10 minutes long, focusing on your child's progress, next steps, and other key areas. For SEND students, we'll also discuss provision plan targets and interventions.

Please make sure to book your appointment as soon as possible to avoid disappointment. If none of the available dates work for you, please speak to the class teacher or Leader of Learning to arrange an alternative time.

Parents' Guide for Booking Appointments
