

Geography

Interconnected world teaches the children lots of essential skills and geographical knowledge. The children have the opportunity to learn about compass points and four and six-figure grid references. They also will get to learn about the tropics and the countries, climates and culture of North and South America. Children will also get to conduct an enquiry to prove a hypothesis, gathering data from maps and surveys before drawing conclusions.

Maths

Children will continue to develop their fluency of the times tables. They will also apply their knowledge of the four operations to the topic 'Measurement'. They will focus in on learning more about length and perimeter.

PE-Games

Over the first term; half the class will be going swimming where they will develop confidence in the water whilst knowing how to remain safe. The other class will work on their netball skills and how they can improve independently as well as a team.

Art

This term the children will be looking exploring the topic Statues, Statuettes and Figurines. The project teaches children about the 3-D representation of the human form. They will get to study example from all around the world.

English

Over the term, the children will focus their writing based on their topic. They will begin with creating an engaging diary entry about their class trip to Betteshanger. They will then create a persuasive advert for to encourage a tourist to travel to a certain place.

Through the different tasks set they will use a high level of new language. They will also follow the Talk for Writing process to help them structure their writing. The children will begin to develop their use of language and writing for a purpose.

Knowledge and understanding of the world

This term in RE, the children will be exploring what is known as a 'big question' which is: What do different people believe about God?'

Uniform

All clothing needs to be labelled clearly please, especially jumpers/cardigans. PE will take place every week, unless otherwise stated, so please ensure your child arrives in full PE kit on Monday. They can wear black shorts or jogging bottoms, a coloured t-shirt and plain black trainers. The colour of their t-shirt needs to be the same colour as the team your child is in- red, blue, green or yellow.

Reading

Your child has a reading book and a reading record book to take home every night. This needs to come in to school every day.

We can see a positive difference in the children who read daily to you and we say a big thank you in advance for this.

Thank you also for recording their progress in the reading records, it is very helpful to us.

Great readers make great writers!

Homework

Your child is given homework every Friday. Homework is to be returned by the following Thursday morning. If your child is having difficulty completing this, please speak to the class teacher who will arrange for your child to complete it in school. We have homework clubs that run every day at break time.

Homework is a whole school policy and all children are expected to complete it every week. Your help with this is much appreciated.

We are all excited for Term 3. We have lots of exciting events planned, so keep an eye out for updates.

We are always available on the gate before school and outside the Year 4 area after school, so please don't be shy in talking to us, even if it is just a short hello!

Our aim, as ever, is the best possible development for your child, so if you have any questions, please do not hesitate to ask us.

For further details about this terms topic please visit:

Year 4 team.

Our aim is to keep learning fun and exciting for all of the children in Year 4 therefore sometimes we will adapt and change our plans to suit their needs.
