Parking around the school

Dear Parents/Carers,

I am writing to share feedback we have received from some local residents regarding parking around the Linces Estate during school drop-off and pick-up times including parking illegally on double-yellow lines, and stopping in front of driveways.

We appreciate that these times of day can be busy and that parking is not always straightforward. We kindly ask parents and carers to be mindful when parking, ensuring that access for residents, pedestrians, and other road users is kept clear wherever possible – this is an issue of both safety and courtesy.

Thank you for your understanding and cooperation.

Maintaining positive relationships with our neighbours is something we value greatly.

Yours sincerely,
Mr. Hawkins
Head Teacher
