Friday 30th January 2026

Dear Parents,

I am writing to you with some exciting news. Our wonderful Green Park family is getting a new four-legged member. On Monday, I will be introducing the children to Tiger, our newest school dog. Tiger is a retired greyhound. He is 3 years old and has a fun, gentle and loveable personality. He really enjoys treats and lots of attention. Tiger is new to school life so he may take a little while to settle in, as all the sounds and people will be new.

Tiger will live in Mr Hawkins' office, but you'll all get to see him in the morning at the Green Gate.

We will be telling the children all about Tiger today in assembly and also talking to them about how we can all help him settle in to life as a school dog.

All the usual risk assessments are in place, and we are confident that Tiger will become a firm friend to the children.

Yours sincerely,
Mr Hawkins
