Easter Hat Parade 2022

Dear Parents,

I'm delighted that we will be holding our Easter Hat Parade this year after a 2-year break from the tradition due to the lockdowns.

For those of you unfamiliar with this lovely event, we encourage all of our children and staff at school to make an Easter Hat. This can be as simple and traditional or as wild and whacky as you like. The children will be set making the hat as a homework and I hope you will get involved with them in this activity.

On Friday 1st April, we will leave the school at around 2.15pm and the whole school will parade down The Linces, along Sheridan Rd and then back to the school. You are welcome to come along and cheer us on. Many folks in the community come out to see the parade.

If you are going to come, please park considerately and do not stop on the zig-zag lines.

Back at school, prizes will be given out in each class for the best Easter Hat.

This is a wonderful way to round off our Spring Term.

Yours sincerely,

Richard Hawkins
Head Teacher
