

Maths

This term the children will be concentrating on fractions. They will be exploring how to order fractions on a number line, matching equivalent fractions, comparing, ordering, adding and subtracting fractions. They will also begin to look at time. They will be finding the duration, measuring time in minutes and seconds and

English

Throughout term 4, the children will be looking at a range of texts about British prehistory. They will begin to assess the effectiveness of their own and others' writing, noticing some ways to improve the grammar, vocabulary or conventions of the genre. They will continue to create settings, characters and plots in narratives, using inverted commas to punctuate direct speech. The children will also express time, place and cause using conjunctions, adverbs

PE-Games

This term the children will experience a range of activities involving team games, throwing and catching. The children will develop a range of skills including- how to bounce, throw, catch, dribble, kick and hit (strike) equipment with control and accuracy and how to play group games and invent rules

Through the Ages Year 3 - Topic Web - Term 4

Music/drama

Throughout this term the children will improvise using instruments in the context of the song they are learning to perform. They will record the composition in any way appropriate that recognises the connection between sound and symbol. Using their compositions they will perform their own music.

DT and Art

The children will use drawing, painting and sculpture to develop and share their ideas, experiences and imagination. After researching British prehistory from the Stone Age to the Iron Age the children will use colourful materials, modelling clay, modelling tools and decorative objects, such as buttons and beads to make a

Knowledge and understanding of the world

The children will think about times in their own lives when they remember and celebrate significant events/people, and why and how they do this. They will consider the meanings of the stories behind key religious festivals, e.g Christmas, Easter, Pentecost, Harvest in Christianity, Diwali in

History

This project teaches children about British prehistory from the Stone Age to the Iron Age, including changes to people and lifestyle caused by ingenuity, invention and technological advancement. The children will look at how significant events or people in the past have caused great change over time. How they have influenced how people live today because they have formed countries and boundaries; created buildings and objects that are still used today; helped to improve health, knowledge and understanding through scientific research and discovery and provided inspiration for the way people should live

Uniform

All clothing needs to be labelled clearly please, especially PE kit. PE will take place on various days throughout the week, so please ensure children have PE kits in school at all times. As the weather may be cold could children have warm clothing (trousers, they will be able to wear their jumper or coat) for outside PE learning please.

Reading

Your child has a reading book and a reading record book to take home every night. This needs to come in to school every day.

We can see a positive difference in the children who read daily to you and we say a big thank you in advance for this.

Thank you also for recording their progress in the reading records, it is very helpful to us.

Homework

Your child is given homework every Friday.

Homework is to be returned by the following Thursday morning. If your child is having difficulty completing this, please speak to the class teacher who will arrange for your child to complete it in school.

Homework is a whole school policy and all children are expected to complete it every week. Your help with this is much appreciated.

Finally, we are looking forward to a new and exciting term, one that will bring many challenges and stimulating experiences.

We are always available on the gate before school and on the playground after school, so please don't be shy in talking to us, even if it just a short hello!

Our aim, as ever, is the best possible development for your child, so if you have any questions, please do not hesitate to ask us.
