

Laughing and Learning all of the way

Palace class Newsletter

We would like to welcome you all to our very first newsletter of the year. You will be sent these fortnightly to inform you of what we have been learning at school.

The children have settled in very well and we have been learning all about "Bears" The children enjoyed dancing to the story "Were Going On a Bear Hunt", creating patterns with bears, designing their own den and ordering events from the story.

Next week, we will be reading the stories of Dear Zoo and Elmer, where we will be acting out the stories, creating animal cages from junk modelling and even trying to move like an animal

We have been learning these sounds in class using the jolly phonic actions. We are learning to listen for the beginning sound in each word too.

s, a, t, p, i, n

Your children have been bringing a book home each day and we really appreciate you sharing these. Please remember to sign in their reading record when you have shared the book with them.

In Maths we have been learning to recognise and write our numbers from

0—5 .Please could you practise this at home, count anything, even the stairs! We have also been making patterns and sorting objects according to shape and colour.

Phonic Workshop for Parents

In order to help you understand how we teach your child to read and write, and to find out how you can support us, we will be holding a phonic workshop for parents on

Thursday 26th September at 12.45pm

The meeting should only last around 15 minutes and the children will be cared for by our staff for that short time. You will also have the chance to collect your child's phonic pack for at home and to have a look at their learning journeys too. We hope to see you all there :)

Facebook Page for EYFS Parents.

If you are on Facebook, please join our EYFS page for all updates on what we are doing in class, and to chat to us and other parents. This is a closed group—so just search Green Park Primary School : The Foundation Stage and we will add you to it!
