1. Introduction

The Governors of Green Park Community Primary School are committed to providing sound financial controls, to achieving value for money and to being worthy custodians of public money. To achieve these aims the Headteacher and the Governing Body have drawn up this Finance Policy to provide the guiding principles for which all Governors and staff will operate within.

This Policy has been drawn up in accordance with the Local Authority's (LA) Scheme for Financing Schools.

2. Principles

Our Finance Policy adheres to the following principles;

The general administration of financial procedures may be delegated to other members of staff at the discretion of the Headteacher and this delegation should be documented in the Finance Policy.

3.2 Internal Financial Controls

The school's internal financial controls follow the financial controls set out in the LA's Scheme for Financing Schools.

3.3 Financial Links to the School Improvement Plan

The School Development/Improvement Plan has sufficient scope and depth of the financial implications, and it is reflected in the school's three-year budget plan.

3.4 Monitoring and Virements

The school recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Headteacher carries out a monthly internal monitoring procedure, copied to the Chair of the Monitoring of the School Budget Pair. A monitoring report is taken to all meetings of the Full Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to

see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements may need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £8,000 - The Headteacher, reported to the Monitoring of the School Budget pair.

Virements over £8,000 – The Full Governing Body

3.5 Insurance

Insurance is held through ***the Kent County Council (KCC) 'Safe Hands' Scheme**** with relevant cover, as identified by the schedule.

3.6 Purchasing

Budgets are delegated to named key stage co-ordinators/subject leaders/class teachers.

Where there are Budget holders a 'needs budget' is prepared and submitted for their area of responsibility, for approval by the Headteacher in line with the priority needs of the school and the School Development/Improvement Plan.

All staff adhere to the KCC procedures for purchasing items, detailed in financial control no7, ensuring regard to value for money at all times. The Budget Holder or the authorised delegated deputy is responsible for authorising all order requests and invoices prior to payment.

Where the school purchases larger items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools
in summary:

- For purchases up to £24,999* (exc VAT) it is considered good practice to hold one written quotation.

- For purchases of £25,000* (exc VAT) and up to the current public procurement threshold, three written quotations are obtained and submitted to the *Finance Committee or FGB* for approval according to the TOR responsibilities.

- For purchases above the public procurement threshold for goods and services, or above £1m for works, a tendering procedure compliant with public procurement regulations is required.

*These limits should be viewed as upper limits. It may be more appropriate to consider a lower limit dependant on school standing and local knowledge. If applicable, please amend values.

All of the above will be minuted at the appropriate committee/Governing Body meeting to ensure that the school is seen to be obtaining value for money at all times.

All of the above will be reported and minuted at the Full Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times. With this in mind, the School also adopts the procedure where quotations are sought for all purchases over £8,000, as a matter of course.

3.6.1 Leases

Please refer to Scheme for Financing section 3.6 and Finance control no3 for full details.

The distinction between operating and finance leases has ended, however there are strict criteria for allowable leases not needing the consent of the Secretary of State (detailed in the scheme and controls). All leases are classed as borrowing.
Any lease a school enters into must be done so within the parameters of the School's Finance Policy and Spending the Councils Money.

Schools should seek advice before entering into any lease or asset rental or buy-back scheme to ensure it is legal. All lease agreements are subject to the rules on contracts and the relevant limits apply.

All leases will now count in principle as capital, unless the total value of the lease is below the local capitalisation threshold. Where a lease counts as capital, it must not be included in the revenue expenditure lines E12 to E25. Instead, it must be included in E30 as direct revenue financing of capital.

3.7 Personnel Matters

At the start of every financial year the ***Headteacher*** uses a financial planning tool to calculate the salary costs of all members of staff, including increments, where applicable. These details are used by the ***Governing Body*** for incorporation into the school budget planning process.

The ***Performance Management Committee*** undertakes an annual review of the Headteacher's salary, and recommends enhancements, if applicable, to the Full Governing Body for approval.

The Headteacher undertakes an annual review of all other staff, in accordance with the Governors' Pay Policy and reports to the Full Governing Body.

Details of all salaries are recorded as a confidential item in the minutes.
