Monday 3rd May 2022

Dear Parents/Carers

We are writing to inform you of the incredible amount of money that your children across the year group have raised. In total, we managed to raise just over £800! We are over the moon and so proud of the children for working hard throughout their danceathon that took place instead of our run due to the snow!

Due to raising this incredible amount of money, we are pleased to tell you that on Monday 16th May we will all be heading to Folkestone (as a year group) on a coach. In Folkestone, we will first of all be going to The Harbour Arm where the children will get to experience some of Folkestone's wonderful art, as well as walking along the designated path areas to see the new sculptures. We will then have lunch on the beach altogether.

For our main event, we will be heading to Kidz Planet where we are having 2 hours private access to the soft play area – for just our year group only (no members of the public will be allowed in). Kidz Planet will also provide some free squash for the children throughout this time!

We ask that on this day, your child comes to school in comfortable clothes and trainers, however, they must wear their school jumper. Your child must have socks on to enter the soft play area. Please ensure that your child has a packed lunch with them as well as a water bottle and a backpack to carry this around in.

We cannot wait to take the children for this wonderful day out – they have worked hard and thoroughly deserve it. We will return to school in time for normal collection.

If you have any questions, please do not hesitate to contact us.

Many thanks,

Year 6 Team

Mrs Guy, Miss Rawlins, Miss Blomfield, Mrs Stroud, Mr Husk and Ms Hurn
