

	English	Maths	Topic
<p>Wednesday 29th April 2020</p>	<p>Create your own character for a story. Draw this character in your book and use adjectives to describe what they look like. Then use a different colour pencil to make notes of what type of person they are.</p>	<p>Here are some shapes. Using your tally chart, can you draw a bar chart or pictogram to show this data?</p> <p>Here are some shapes.</p>  <p>Complete a tally chart to show the number of each shape.</p>	<p>What can you see in the sky?</p> <p>Explore the sky, lie on the ground and see how many shapes or animals you can see in the clouds. You draw what you can see or even take pictures and make them out of cotton wool or other materials and stick them on paper.</p>
