Introduction / Background

Each year, the Local Authority is required to draw up, consult on and determine:

- Co-ordinated admission arrangements (schemes) for all schools in the Local Authority area for entry at the normal time of admission (Year R for Infant and Primary schools, Year 3 for Junior schools and Year 7 for Secondary schools).

Section 1 –

Details of the Co-ordinated Scheme for Entry to Year R and Transfer from Infant School to Junior School Year 3

This section details the Co-ordinated Scheme for Entry to Year R and Transfer from Infant School to Junior School (Year 2-3) in September 2024.

Year R applications are normally for children born between 1 September 2019 and 31 August 2020. Year 3 applications are normally for children born between 1 September 2016 and 31 August 2017.

In addition this scheme:

- (a) allows for Supplementary Information Forms (SIFs) to be returned directly to schools to assist in the ranking of applicants against their over-subscription criteria.
- (b) confirms that on **Thursday 23 May 2024** Kent County Council will run one reallocation process offering places to late applicants and original applicants that have joined a school's waiting list after offer day. Kent County Council will consider late applicants through the process described in paragraphs 25 to 34. After **Thursday 23 May 2024**, Kent County Council will enable schools to accept applications directly and offer vacancies as they arise, to children on their waiting lists. Copies of applications will be forwarded by parents to Kent County Council who will support and advise where this is needed. Schools must notify Kent County Council of any offers or refusals that are made at the same time these are made to parents.

Kent County Council expects that all schools and Admissions Authorities including Academies and co-ordinating Free schools engaged in the sharing of admissions data will manage personal information in accordance with the Data Protection principles.

1.

For normal points of entry to school, Kent resident parents will have the opportunity to apply for their child's school place using a Reception Common Application Form (RCAF) or Junior Common Application Form (JCAF) via an alternate method available on request. Kent County Council cannot accept multiple applications for the same child. A parent may use either of the above methods, but not both. Kent County Council will take all reasonable steps to ensure that every parent resident in the Kent knows how to apply for a school place by completing a RCAF/JCAF online at www.kent.gov.uk/ola or on paper, and has access to a written explanation of the coordinated admissions scheme.

2.

The RCAF will be used for the purpose of admitting pupils into Year R (the first year of Primary education) and the JCAF for Year 3 of Junior schools.

3.

The RCAF/JCAF must be used as a means of expressing one or more preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the Kent County Council area wishing to express a preference for their child:

- (a) to be admitted to a school within the Kent County Council area (including Voluntary Aided and Foundation schools, Academies and Co-ordinating Free Schools).
- (b) to be admitted to a school located in another Local Authority's area (including Voluntary Aided, Foundation schools, Academies and Co-ordinating Free Schools).

4.

Details of this scheme will apply to every application made by a Kent resident applying to Kent schools. Where a Kent resident applies to schools located in another Local Authority, variations may apply to take into account differences present in that Local Authority's scheme.

5.

RCAFs /JCAFs and supporting publications will:

- (a) invite parents to express up to **three** preferences in priority order. Preferences can be expressed for Kent and non-Kent schools. Parents **must** complete the application for their home Local Authority (e.g. Kent residents complete Kent applications, Medway residents complete Medway applications, etc).
- (b) allow parents to give reasons for each preference, including details of any siblings that will still be on roll at the preferred school at the time of the applicant child's admission.
- (c) invite parents of looked after and previously looked after children to send Kent County Council evidence that supports the request for consideration under either criteria by **Friday 9 February 2024**.
- (d) explain that parents will receive the offer of one school place only and that:
 - (i) a place will be offered at the highest available ranked preference for which they are eligible; and
 - (ii) if a place cannot be offered at any school named on the form, a place will be offered at an alternative school.
- (d) Specify the closing date for applications and where paper RCAF/JCAF must be returned to, in accordance with paragraph 7.
- (e) explain that parents cannot name Primary schools on the JCAF and that if they do, they will be deleted and the preference will be lost.

6.

Kent County Council will make appropriate arrangements to ensure:

- (a) the online admissions website is readily accessible to all who wish to apply using this method.
- (b) An alternate method is readily available on request from Kent County Council.
- (c) a composite prospectus of all Kent Primary and Junior schools and a written explanation of the co-ordinated admissions scheme is readily available on request from Kent County Council, all Kent maintained Primary and Junior schools and is also available on the Kent County Council website to read or print.

7.

Completed applications must be submitted by **Monday 15 January 2024**.

Supplementary Information Forms (SIFs)

8.

Only applications submitted on a RCAF/JCAF are valid. Completion of a school's Supplementary Information Form (SIF) alone does not constitute a valid application. Where schools use SIF they must confirm with the parent on receipt of their completed form that they have also made a formal application to Kent County Council.

9.

A school can ask parents who wish to name it, or have named it, on their RCAF/JCAF, to provide additional information on a SIF only where the additional information is required for

the governing body to apply its oversubscription criteria to the application. Where a SIF is required it must be requested from the school or Kent County Council and returned to the school. All schools that use SIFs must include the proposed form in their consultation document and in their published admission arrangements.

10.

Children with and Education, Health and Care Plan (EHCP)

Pupils with an Education, Health and Care Plan do not apply to schools for a place through the main round admissions process.

Any application received for a child with an EHCP will be referred directly to Kent County Council's Special Educational Needs Services (SEN), who must have regard to Schedule 27 of the Education Act 1996 " the LA must name the maintained school that is preferred by parents providing that:

- the school is suitable for the child's age, ability and aptitude and the special educational needs
- the child's attendance is not incompatible with the efficient education of other children in the school, and
- the placement is an efficient use of the LA's resources"

Where a pupil is resident in another Local Authority, the home Authority must again comply with Schedule 27 of the Education Act 1996 which states:

"A local education authority shall, before specifying the name of any maintained school in a statement, consult the governing body of the school, and if the school is maintained by another local education authority, that authority."

Other Authorities looking for Kent school places for EHCP pupils will need to contact Kent County Council's SEN team in addition to the relevant school.

Determining Offers in Response to the RCAF/JCAF

11.

Kent County Council will act as a clearing house for the allocation of places by the relevant admission authorities in response to RCAFs/JCAFs completed online or on paper. Kent County Council will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the RCAF/JCAF where:

- (a) it is acting in its separate capacity as an admission authority;
- (b) an applicant is eligible for a place at more than one school;
- (c) an applicant is not eligible for a place at any school that the parent has named.

Kent County Council will allocate places in accordance with paragraph 16.

12.

By Tuesday 13 February 2024 Kent County Council will:

- (a) notify all schools of the number of applications received for their school;

- (b) notify and forward details of applications to the relevant authority/authorities where parents have nominated a school outside the Kent County Council area.

13.

By Thursday 15 February 2024 Kent County Council will advise all Kent Primary, Infant and Junior schools of the full details of all valid applications for their schools via rank lists, to enable them to apply their over-subscription criteria. Only children who appear on Kent County Council's list can be considered for places on the relevant offer day.

14.

By Tuesday 5 March 2024 All Kent Primary, Infant and Junior schools, including Academies and coordinating Free schools, **must** return completed lists, ranked in priority order in accordance with their over-subscription criteria, to Kent County Council for consideration in the allocation process. Where a school fails clearly to define its oversubscription criteria in its determined arrangements, the definitions laid out by Kent County Council must be adopted.

15.

Tuesday 5 March 2024 will also be the final deadline by which any school may notify Kent County Council of their intention to admit above PAN. Changes cannot be made after this date because Kent County Council will not have sufficient time to administer its co-ordination responsibilities.

16.

By Wednesday 27 March 2024 the LA will match each ranked list against the ranked lists of every other school named and:

- (a) where the child is eligible for a place at only one of the named schools, will allocate a place at that school to the child;
- (b) where the child is eligible for a place at two or more of the named schools, will allocate a place to the child at whichever of these is the highest ranked preference;
- (c) where the child is not eligible for a place at any of the named schools, will allocate a place to the child at an alternative school. Where the application is for Junior transfer, this alternative place may be in a Junior school or a Primary school.

17.

By Wednesday 27 March 2024 Kent County Council will have completed any data exchange with other

Local Authorities to cover situations where a resident in Kent County Council's Local Authority area has named a school outside Kent, or a parent living outside the Kent County Council's Local Authority area has named a Kent school.

18.

By Thursday 28 March 2024 Kent County Council will inform schools of the pupils to be offered places at their establishment, and will inform other Local Authorities of places to be offered to their residents in its schools and Academies. Schools must not share this information with parents before **Tuesday 16 April 2024**.

19.

On Offer day, Tuesday 16 April 2024 Kent County Council will:

Kent County Council will send an offer email after 4pm to those parents who have provided a valid email address and post an offer letter via first class post for all other parents. The offer notification will detail:

1. The name of the school at which a place is offered.
2. The reasons why the child is not being offered a place at any school named on the application as a higher preference than the school offered.
3. Information about the right of appeal against the decisions to refuse places at other named schools.
4. Information on how to request a place on a waiting list for schools originally named as a preference, if they want their child to be considered for any places that might become available.
5. advice on how to find contact details for the school and Local Authority and the admission authorities of Foundation, Voluntary Aided schools, Academies and coordinating Free schools where they were not offered a place, so that they can lodge an appeal with the governing body.

20.

The email/letter will notify the applicant parent that they need to respond to the offered school to accept or refuse the offer. It will inform applicant parents to send waiting list requests to Kent County Council. It will also inform them of their right to appeal against the refusal of a place at any school on their application and where and when to lodge the appeal.

21.

Parents who reside in other Local Authorities, but who have applied for a Kent school or schools, will be notified of whether or not they are being offered a place at a Kent school by their own Local Authority on **Tuesday 16 April 2024**.

22.

Kent pupils who have not been offered a place at any of the schools nominated on their RCAF/JCAF will be allocated a place by Kent County Council at an alternative school in the Kent County Council area. This place will be offered on **Tuesday 16 April 2024**.

23.

Schools will send their welcome letters **no earlier than Thursday 18 April 2024**.

Acceptance/Refusal of Places - Tuesday 30 April 2024

24.

By Tuesday 30 April 2024 the applicant parent must inform the school whether they wish to accept or refuse the place offered on offer day. Refusals should be made in writing or via e-mail to provide an appropriate audit trail. If a response has not been received by **Tuesday 30 April 2024**, the school **must** remind the parent in writing of the need to respond within a further ten school days and point out that the place will be withdrawn if no response is received. If the parent fails to respond by this date, a final letter should be sent informing the parent that the offer has been withdrawn. Only after taking reasonable measures to secure a response from parents will a school be able to retract the offer of a place. In cases of shared custody, schools should ensure that confirmation of acceptance or refusal is received from the applying parent.

Determining Offers in Reallocation Process

25.

Kent County Council will collect a reallocation list for all schools up to **Tuesday 30 April 2024**. This will include details of the following:

- (a) all applicants who named the school on the RCAF/JCAF and were not offered a place on **Tuesday 16 April 2024** and who have asked to be included on the school's waiting list;
- (b) late applicants who named the school on their applications which were sent to Kent County Council by **Tuesday 30 April 2024**.

26.

By Tuesday 7 May 2024 Kent County Council will advise all Kent Primary, Infant and Junior schools, of the full details of all waiting list requests and late applications (reallocation list) for their schools to enable them to apply their over-subscription criteria. Only children who appear on the Kent County Council list can be considered for places on Kent County Council's reallocation day. If a child's circumstances have changed since their original application, Kent County Council will amend their waiting list details up to **Tuesday 30 April 2024**. Kent County Council will not be able to amend details after this date. The full reallocation list must be put into the school's over-subscription criteria order. No distinction should be made on the basis of the child being a waiting list request or a late applicant.

27.

By Tuesday 14 May 2024 The schools must return their ranked waiting lists to Kent County Council. Schools should also return all acceptance and refusal information collected to ensure Kent County Council can calculate places available for its reallocation day.

28.

On Thursday 23 May 2024 Kent County Council will re-allocate any places that have become available since offer day using the same process described in paragraph 16. Applicants will be sent offers using the same process described in paragraph 19. Schools will be sent a list of all new offers and the remainder of their waiting lists. Late applicants will be added to the waiting list of each school that they have not been offered.

Determining Offers after Waiting Lists returned to Schools

29.

After **Thursday 23 May 2024** waiting lists will be managed by schools and held in oversubscription criteria order. These lists can include:

- (a) all applicants who were not offered a place on **Tuesday 16 April 2024**, who asked to be included on the school's waiting list and who subsequently were not offered a place on **Thursday 23 May 2024** (children on the waiting list described in paragraph 28);
- (b) applicants who did not name the school on their RCAF/JCAF and who have approached the school to be considered via the In Year Application Form (IYAF).
- (c) Late applicants who have not previously been considered for a place at any Primary/Infant or Junior school and who have approached the school to be

considered via Post Reallocation Reception Common Application Form (PRRCAF) or Post Reallocation Junior Common Application Form (PRJCAF).

30.

After Thursday 23 May 2024 Schools will make offers from their waiting lists for any spaces available. Kent advises schools to wait until **Friday 24 May 2024** before making offers to allow all parents an opportunity to receive their email/letter detailing the outcome of Reallocation. Schools must inform Kent County Council whenever an offer or refusal is made so that Kent County Council can record all activity. If a school has reached its Published Admission Number, or an agreed number in excess of its Published Admissions Number as specified in paragraph 1.4 of the Admissions Code, an applicant should not be admitted other than through the Independent Appeal process, the In Year Fair Access Protocol or where special arrangements relating to children in Local Authority Care or who ceased to be so because they were adopted, or with an EHCP apply.

Handling of Late Applications:

Applications received after the RCAF/JCAF closing date until Friday 9 February 2024

31.

The closing date for applications in the normal admissions round (as above) is **Monday 15 January 2024**. As far as reasonably practicable, applications for places in the normal admissions round that are received late for a good reason will be accepted and considered in the same way as 'on time' applications, provided they are received by Kent County Council by **Friday 9 February 2024**. On time applicants can also request to amend their application up to this point for a good reason, but these requests must be made in writing to the admissions team as amendments made to the online system after **Monday 15 January 2024** will be ignored.

32.

Exceptional provision is made for the families of UK Service Personnel and Crown Servants as required by the School Admissions Code. Applications will be accepted up until **Friday 9 February 2024**, where it is confirmed in writing by the appropriate authority that the family will be resident in Kent by **1 September 2024**. A confirmed address, or, in the absence of this, a Unit or "quartering area" address, will be accepted as the home address from which home-school distance will be calculated. Children who are not successful in gaining any place they want will be allocated an available place at an alternative school, and will have the same access to a waiting list / right to appeal as other applicants.

Applications received after Friday 9 February 2024 but before Tuesday 30 April 2024

33.

Applications received after **Friday 9 February 2024 but before Tuesday 30 April 2024** (the deadline for inclusion in any reallocation made on **Thursday 23 May 2024**) will not be considered for places on **Tuesday 16 April 2024**, but will be included in the re-allocation of places on **Thursday 23 May 2024** as defined above.

Applications received after Tuesday 30 April 2024

34.

Late applications received after **Tuesday 30 April 2024** (the deadline for inclusion in any reallocation made on **Thursday 23 May 2024**) must be made directly to the LA. Parents will apply using the Post Reallocation Reception Common Application Form (PRRCAF) or Post Reallocation Junior Common Application Form (PRJCAF). Kent County Council will support and advise parents. These will be considered by each school after **Thursday 23 May 2024**, in accordance with a process similar to the in year admissions process (detailed in Section 2).

Cancelling applications

35.

Applications considered as 'on time' detailed in paragraph 7 and 31 can be cancelled or individual preferences can be removed by the applicant up to **Tuesday 30 April 2024** (the deadline for waiting list requests and late applications). Requests must be made to the admissions team in writing. New preferences cannot be added to an application at this point. After this date, it is not possible to cancel applications or remove preferences as the offer allocation process will have started.

36.

Parents that have cancelled an 'on time' application may submit a late application, for consideration under the reallocation process, providing that they do not name any preferences that appeared on their original application. The deadline for these late applications is **Tuesday 30 April 2024**.

37.

Where an application is cancelled, parents cannot join a school's waiting list or appeal for a school that was on their original application unless they submit a new application for the school after **Thursday 23 May 2024**.

Appeals

38.

All parents have the statutory right to appeal against any decision refusing them a school place and must lodge their appeal by **Tuesday 14 May 2024** for it to be considered as on time.

39.

Where parents have lodged an appeal against the refusal of a place and a place becomes available at the school, the place can then be offered without an appeal being heard, provided there are no other applicants at that time ranked higher on the school's waiting list, which is held in accordance with the school's oversubscription criteria.

40.

Appeals are not to be heard prior to the Kent Reallocation Day on **Thursday 23 May**

2024.

Summer Born Applications

41.

Kent will process applications for Summer Born children outside the normal age taking account of the needs of the child. A decision as to whether an application will be accepted outside of the admissions round is a decision for the admissions authority, which will normally be guided by the Headteachers of the schools in question. Further Information will be made available to parents on how applications should be made at kent.gov.uk/primaryadmissions. Parents are advised to talk to schools no later than **Friday 3 November 2023** to enable a decision to be made before the closing date of the round on **Monday 15 January 2024**.

Section 2 – Details of the Primary In-Year Admissions Process for Schools

In-Year Admission Form.

1.

The scheme shall apply to every maintained school, Academy and co-ordinating Free school in the LA area (except special schools), which are required to comply with its terms, and it shall take effect from the point of formal Kent County Council Cabinet Determination.

2.

Kent County Council will produce a standard form, known as the In-Year Admission Form (IYAF), which Kent schools must use to allow applicants to apply for school places in any year group outside of the normal admissions round. Applicants must use one form for each school they wish to apply for.

3.

As Kent does not co-ordinate In-Year admissions, applications to out of county schools and from out of county residents will not have a standard process and will instead depend on the process of the county in question. Kent residents who wish to apply for a place at an out of county school will need to either approach the school or local authority directly. This will vary between authorities.

4.

Out of county residents of authorities that co-ordinate In-Year admissions should complete their authority's Common Application Form and return it to their authority. Kent County Council has given permission to each authority to liaise directly with Kent schools. Out of county residents of authorities that do not co-ordinate are free to contact Kent schools

directly to request a place. It is the responsibility of the out of county resident to ensure they apply by the appropriate method.

5.

Parents will be able to obtain information about the process, other authority processes and IYAFs from Kent County Council's Admissions and Transport Office or from any local Kent school. Enquiries can also be made via e-mail (kentinyearadmissions@kent.gov.uk). Information and IYAFs will also be available on the Kent County Council's website to read and print.

6.

Kent County Council will take all reasonable steps to ensure that all relevant information is available upon request to any parents who require it.

7.

The IYAF will be used for the purpose of admitting pupils to a school in the year group applied for.

8.

The IYAF must be used by parents resident in the Kent County Council area as a means of expressing one preference for the purposes of section 86 of the School Standards and Framework Act 1998, for their child to be admitted to a school within the Kent County Council area (including Voluntary Aided and Foundation schools, Academies and Coordinating Free Schools)

9.

Parents wishing to apply for more than one school must complete a separate form for each school. Completed forms must be returned directly to the school. Applications by Kent residents to out of county schools should be made to either the other local authority or school, depending on that local authority's In-Year process.

10.

The IYAF will:

- (a) invite the parent to express a school preference.
- (b) invite parents to give their reasons for the preference and give details of any siblings that may be attending the preferred school.
- (c) explain that the parent must complete a form for each school they wish to apply for and return each form to the corresponding school.
- (d) explain that Kent County Council will be informed of any application and will monitor any subsequent offers that are made.
- (e) direct the parent to contact Kent County Council where they are unable to secure a school place.
- (f) explain where they can find information about applying to non-Kent schools.

11.

Kent County Council will make appropriate arrangements to ensure:

- (a) that the IYAF is available in paper form on request from Kent County Council and from all maintained Primary schools, Academies and Co-ordinating Free Schools in the Kent County Council area; and
- (b) that the IYAF is accompanied by a written explanation of the In-Year admissions process in an easy to follow format.

12.

IYAFs for Kent schools must be returned to the school. Schools should aim to process them within 10 school days of receipt, but no later than 15 school days.

Supplementary Information Forms (SIFs)

13.

All completed IYAFs are valid applications. A school can ask parents who wish to nominate it, or have nominated it, on the IYAF, to provide additional information on a Supplementary Information Form (SIF) only where the additional information is required for the governing body to apply its oversubscription criteria to the application. Where a SIF is required it must be requested from the school or Kent County Council (where supplied) and returned to the school. All schools that use SIFs must include the form in their published admission arrangements.

14.

A SIF is not a valid application by itself: a formal application can only be made on the IYAF (or corresponding form if out of county applicants live in a county which co-ordinates In-Year admissions). When SIFs are received, the school must ensure that the IYAF or neighbouring LA's Common Application Form has been completed by the parent and, if not, contact the parent and ask them to complete one. Parents will not be under any obligation to complete any part of an individual school's supplementary information form where this is not strictly required for the governing body to apply its oversubscription criteria.

15.

a)

Children with an Education, Health and Care Plan (EHCP)

Pupils with an Education, Health and Care Plan do not apply to schools for a place through the main round admissions process.

Any application received for a child with an EHCP will be referred directly to Kent County Council's Special Educational Needs Services (SEN), who must have regard to Schedule 27 of the Education Act 1996 " the LA must name the maintained school that is preferred by parents providing that:

- the school is suitable for the child's age, ability and aptitude and the special educational needs
- the child's attendance is not incompatible with the efficient education of other children in the school, and
- the placement is an efficient use of the LA's resources"

Where a pupil is resident in another Local Authority, the home Authority must again comply with Schedule 27 of the Education Act 1996 which states:

"A local education authority shall, before specifying the name of any maintained school in a statement, consult the governing body of the school, and if the school is maintained by another local education authority, that authority."

Other Authorities looking for Kent school places for EHCP pupils will need to contact Kent County Council's SEN team in addition to the relevant school.

b)

Children in Local Authority Care (CiC) and Children Adopted from Care

When applications are made for young people in the care of other Local Authorities or who ceased to be so because they were adopted, Kent County Council - as receiving authority - will confirm an offer of a school place with the placing authority. Where an in-year application is received from the corporate parent of a child in Local Authority Care or who ceased to be so because they were adopted, Kent Admissions team will expect that in line with Statutory Guidance *, arrangements for appropriate education will have been made as part of the overall care planning, unless the placement has been made in an emergency. Where the placement has been made in an emergency, and this is not the case, Kent, as the receiving authority, will refer the matter to a school identified by the placing authority, to establish if an offer of a place can be provided. If the school is at capacity or the school provision is not considered appropriate, Kent County Council will advise the home authority of the schools position and where possible identify alternative education provision that may be more suitable to meet the child's needs. It will be for the corporate parent to determine whether it wishes to challenge the school's or the LA's position or identify an alternative education setting more suited to meeting the child's needs.

Where Kent County Council is the corporate parent of the child in question, an appropriately appointed social worker will liaise in the first instance with Admission Placement Officers and other professionals as necessary, in order to agree the school or setting that would best meet the individual needs of the child (most appropriate provision for the child). Kent County Council will then allocate a place (where it is the admission authority for the school) or contact the school directly and seek a place where it is not. Where a school refuses to admit the child Kent County Council as corporate parent will decide whether to initiate proceedings required to either direct or instruct the school in question or consider if other education provision may be in the best interest of the child.

** Statutory Guidance on the duty of local authorities to promote the educational achievement of looked after children under section 52 of the Children Act 2004 (S35.1-37)*

c)

Exceptional provision is made for the families of UK Service Personnel, Crown Servants and British Council employees, as required by the School Admissions Code. A confirmed address, or, in the absence of this, a Unit or "quartering area" address, will be accepted as the home address from which home-school distance will be calculated. This must be confirmed by a letter from the Commanding Officer or the Foreign Office. However, this does not guarantee a place at the parent's preferred school for their child. Places cannot be held for an extended period of time, as this could create disadvantage with other applications.

Determining Offers in Response to the IYAF

16.

The school will notify applicants resident in the Kent County Council area with the outcome of their application. Where appropriate, the letter will detail:

- (a) the starting date if a place is available;
- (b) the reasons why the child is not being offered a place if a place is unavailable;
- (c) information about the statutory right of appeal against the decisions to refuse places;
- (d) information on how to apply for a place on the waiting list;
- (e) contact details for the school and Kent County Council and for the admission authorities of Foundation, Voluntary Aided schools, Academies and co-ordinating Free schools where they were not offered a place, so that they can lodge an appeal with the governing body.

The letter will notify the applicant parent that they need to respond to accept or refuse the offer of a place within 10 school days

17.

Kent residents who wish to apply for a place at an out of county school will need to either approach the school or local authority directly. This will vary between authorities. Depending on the other LA's determined process, the parent will confirm the acceptance or refusal of the place to the school or that school's LA.

18.

Kent pupils who have applied to schools and have not been offered a place can contact Kent County Council who will inform them where there is an available place at an alternative school. If no school in the local area has places available, the application may be referred to a local panel under the In Year Fair Access Protocol. If the child is already attending a school in the local area, no alternative place will be offered.

19.

Schools must inform Kent County Council of every offer that is made via the In Year process to allow the necessary safeguarding checks to take place. Notification should be made at the same time as the offer being made to the parent.

20.

Applicants who are not successful in gaining any place can contact Kent County Council and will be informed where there is an available place at an alternative school. Parents can then approach these schools to secure a place. These applicants will have the same access to a waiting list and right to appeal as other applicants.

Acceptance/Refusal of Places

21.

The applicant parent will be advised in their offer letter that they must accept/refuse the school place offer in writing to the school within 10 school days of the date of the offer letter. If the school has not obtained a response within the specified time, it will remind the parent in writing of the need to respond within a further seven days and point out that the place may be withdrawn if no response is received. Only after having exhausted all reasonable enquiries will it be assumed that a place is not required.

22.

The school will notify Kent County Council of places accepted/refused as soon as possible after receipt of the acceptance/refusal. A mechanism for this transfer will be specified by Kent County Council.

23.

Once a place has been accepted, a child must start at the school within a reasonable length of time. This would normally be 10 school days from receipt of acceptance, but schools may extend if they feel there are justifiable reasons to do so.

Waiting Lists

24.

Each oversubscribed school will keep a waiting list at least until the end of the first term. This will include details of all applicants who have named the school on the IYAF but could not be offered a place and have asked to be placed on a waiting list.

25.

Waiting lists will be maintained in order of priority, in accordance with the school's oversubscription criteria. If a school has reached its Published Admission Number it may not admit applicants other than through the Independent Appeal process, via the process detailed in the In Year Fair Access Protocol or where special arrangements relating to children in Local Authority Care or who ceased to be so because they were adopted, or children with an Education, Health and Care Plans apply. To maintain the database, schools will advise Kent County Council when a place has been offered to a pupil on a waiting list. Parents whose children are refused admission **must** be offered a right of appeal (even if their child's name has been put on the waiting list).

Appeals

26.

All parents have the statutory right to appeal against any decision refusing them a school place.

27.

Where parents have lodged an appeal against the refusal of a place and a place becomes available at the school, the place can then be offered without an appeal being heard, provided there are no other applicants at that time ranked higher on the school's waiting list.

Section 3 – Determined Statutory Consultation Area

Kent County Council is required to define “relevant areas” within which the admissions authorities of all maintained schools must conduct their annual statutory consultation. The relevant statutory consultation areas are those included within a 3 mile radius of the primary school concerned. However because the consultation is distributed across all Kent Admissions Authorities via the Kent County Council Website, admissions authorities and parents outside of the relevant areas are also able to view arrangements. If respondents are located outside of the 3 mile radius of the Primary school in question Kent County Council may chose not to have regard to the comments.
