Ofsted Report

Dear Parents and Carers,

The school was visited by Ofsted on 24th and 25th May 2023. The inspection report is attached to this e-mail and will be published on the school's website. The report will also be published on Ofsted's own website within the next couple of weeks.

The inspection highlights the many strengths of the school, although, as this was a short inspection, carried out by just one inspector, it doesn't talk about every element of school life- many of which are also a real strength.

The school's own self-assessment agrees with the Ofsted judgements. There are many strengths, but, as always, there are areas where the school knows there is work to be done. The standards in all areas are at least good, though, and we are confident that when Ofsted visit the school again, they will agree with this.

The areas identified by the inspection are again in line with our own school improvement plans, and we will continue to strive for improvement, as we always have.

I'd like to pay tribute to my amazing staff, who work tirelessly to make the school the wonderful place it is. I'd also like to thank you, our parents and families, who continue to support us in everything we do.

We should all be proud of the inspection report.

Yours sincerely,
Richard Hawkins
Head Teacher
